

Fact Sheet: ThyssenKrupp Konzern

As of January 01, 2013

ThyssenKrupp has 150,000 employees in over 80 countries working with passion and expertise to develop solutions for sustainable progress. Their skills and commitment are the basis of our success. In fiscal year 2011/2012 ThyssenKrupp generated sales of €40 billion.

Innovations and technical progress are key factors in managing global growth and using finite resources in a sustainable way. With our engineering expertise in the areas of „Material“, „Mechanical“ and „Plant“, we enable our customers to gain an edge in the global market and manufacture innovative products in a cost and resource efficient way.
